B. EMERGENCY MEDICAL SERVICES (“EMS”)

1. WHO IS YOUR SERVICE PROVIDER FOR THE NON-INSURANCE BENEFITS?

CIMS SA (Pty) (Ltd) is the service provider which will provide your *emergency medical services (“EMS”) benefit*.

2. WHAT IS YOUR EMS BENEFIT?

- 2.1 **24 hour medical advice and information hotline – telephonic**
Qualified nursing staff are available 24 hours a day to provide general medical information and advice via telephone.
- 2.2 **24 hour emergency medical advice and assistance hotline - telephonic**
When you call the telephonic emergency medical advice and assistance hotline, whereby operators will:
 - 2.2.1 guide you through a medical crisis situation;
 - 2.2.2 provide emergency medical advice; and
 - 2.2.3 arrange the support you require via the medical emergency alarm centre.
- 2.3 **Emergency medical response to the scene of a medical emergency (primary response)**
In the instance of a medical emergency, taking logistical constraints into account (e.g. availability of suitable landing sites and prevailing weather conditions), an appropriate road and/or air response will be undertaken utilising an ambulance, a rapid response vehicle or a helicopter whichever is the most medically appropriate - all of which are manned by appropriately qualified and experienced emergency care practitioners, paramedics or doctors. Such transport will be despatched to the scene of a medical emergency where appropriate lifesaving support will be provided. If necessary, you will be stabilised before emergency medical transportation is provided.
- 2.4 **Emergency medical transportation – pre-hospital**
In the event of your involvement in a medical emergency, we will arrange and pay for emergency medical transportation where required
For the avoidance of doubt:
 - 2.4.1 You will be transported to a government hospital (and not a private hospital) in the event that you do not have sufficient and current medical aid cover, or in the event that the emergency medical personnel are unable to establish whether you are a paid-up member of a medical aid, e.g. due to the fact that you are unconscious;
 - 2.4.2 The decision as to whether your circumstances constitute a medical emergency for which emergency medical transportation will be provided shall be in the sole and absolute discretion of the medical personnel in the alarm centre;
 - 2.4.3 The choice of which medical facility you are transported to shall be in sole and absolute discretion of the attending emergency paramedic services. You waive any and all claims against

us should you suffer any loss and or damages as a direct or indirect result of the choice of medical facility.

2.4.4 Medical considerations including the degree of urgency, your state and fitness to travel and other relevant considerations including, but not limited to, airport availability, weather conditions and distance to be covered as assessed by the emergency medical alarm centre doctor and support staff will determine whether emergency medical transportation will be provided by medically equipped fixed wing air ambulance, helicopter, scheduled commercial flight or road ambulance.

2.5 In the case whereby the initial emergency medical transportation was provided by the 24 hour call centre, the following additional benefits are available to the member where applicable and medically justifiable:

2.5.1 **Inter-hospital transfer:**

After the initial emergency medical transportation, an inter-hospital or inter-facility transfer comprises the one-way transportation by road or air ambulance, whichever is most medically appropriate in the opinion of the emergency medical alarm centre doctor, to a more suitable or appropriate medical facility for managing your condition.

2.5.1.1 **Upgrade transfer:**

If the emergency medical alarm centre doctor, in consultation with your attending doctor, determines that you should be transferred and admitted (one way transfer) to an alternate medical facility (because the necessary treatment cannot be continued at the present facility), the emergency medical alarm centre will arrange and pay for your transportation to another medical facility which is willing to accept you and where treatment can be provided (after you have been stabilised), subject to the limits specified in the benefit table. This service does not include diagnostic transfers for medical procedures or investigations.

2.5.1.2 **Downgrade transfer:**

Transfer to a step-down medical facility will only be approved on a medically justified basis as authorised by the emergency medical alarm centre doctor. This transfer will be to the most appropriate and closest facility to the medical facility where you are being treated as an inpatient, and is limited to a single transfer per hospitalisation event.

2.5.1.3 **Medical repatriation:**

In the event that you are hospitalised outside your home town, (being a distance greater than 100 km from your ordinary place of residence), the emergency medical alarm centre will arrange and pay, up to the limits specified in the benefit table, for your repatriation to a medical facility in or near your home town provided the provision of such service is, in the sole opinion of the emergency medical alarm centre doctor, regarded as being medically justified (long term inpatient treatment is required) and that medical supervision is required for such transfer. We will determine the means of transportation and timing of the repatriation in their sole discretion.

2.5.2 **Escorted return of minors**

In the event of your minor children being stranded as a result of your hospitalisation whereby the emergency medical transportation was provided through the programme, we will arrange and pay for the transportation of the minor children, under supervision where necessary, into the care of a person nominated by you, within South Africa.

2.5.3 **Compassionate visits**

Should you be hospitalised, whereby the emergency medical transportation was provided through the programme, further than 100km's outside of your ordinary place of residence for a period exceeding five (5) consecutive days, we will arrange and pay up to R2 000 (including VAT) for the economy class transportation of a close relative to visit you.

3. HOW DO YOU ACCESS YOUR EMS BENEFIT?

- 3.1 You must contact the 24 hour call centre dedicated number and provide your membership number, personal particulars, the place and telephone number where you or your representative can be reached and a brief description of the emergency and the nature of the assistance required
- 3.2 Where you need a medical transfer or relocation you or your representative must inform the 24 hour call centre of the names, addresses and telephone numbers of the treating hospital, the attending doctor and, if available, your family doctor.
- 3.3 **IMPORTANT:** If an emergency requires that you are taken directly to a medical facility without first contacting the dedicated 24 hour call centre, you must notify the dedicated 24 hour call centre within 72 (seventy two) hours of the medical emergency having occurred.
 - 3.3.1 If you have a medical aid, the invoice for ambulance transportation will be submitted to your medical aid for payment.
 - 3.3.2 If you do not have a medical aid and you incorrectly receive an invoice from the ambulance service provider despite having contacted the 24 hour call centre, you may submit the invoice to Cims South Africa for reimbursement within 2 (two) months of the date of the medical emergency, together with supporting documentation to: Cims South Africa, P.O. Box 1468, Sunninghill, 2157.

4. IMPORTANT: WHEN WE WILL NOT PROVIDE YOU WITH EMERGENCY MEDICAL SERVICES ("EMS")

We are under no obligation to provide any services to you in circumstances resulting, directly or indirectly from:

- 4.1 Services being rendered without the dedicated 24 hour call centre's authorisation or intervention.
- 4.2 Minor (i.e. non-life threatening) illness or injury which, in the sole opinion of the emergency medical alarm centre personnel, can be adequately treated locally, by your family general practitioner for example, and which do not require emergency medical transportation.
- 4.3 Wilful and self-inflicted injury or self-induced illness, as well as insanity, alcoholism, drug or substance abuse or self-exposure to needless peril (except in an attempt to save human life).
- 4.4 Professional sport or sport undertaken on a national or provincial competitive basis.
- 4.5 Your commission of, or your attempt to commit, an unlawful act.
- 4.6 Your active participation in war (whether declared or not), invasion, act of foreign enemy, hostilities, civil war, rebellion, riot, revolution or insurrection nor for any consequence or loss which is a direct result of nuclear reaction or radiation.

- 4.8 Your failure to pay any fee on or before the due date for payment.

- 5.2 We may at any time, and at our own cost, institute proceedings in your name to obtain compensation or secure an indemnity from any third party in respect of any loss or injury giving rise to the provision of services by our service providers.
- 5.3 Neither our service providers nor their agents and/or employees are liable or responsible for the negligence, whether gross negligence or otherwise, wrongful acts and/or omissions of any person or persons or legal entity which provide direct or indirect services to you in terms of this membership agreement.

You can cover your spouse, up to 5 of your children and up to 3 additional dependants (*as defined*), if stated to be included in the *benefits section of this life insurance policy*, at an additional cost to you, where applicable.
- 5.2 You must provide us with the name, surname and dates of birth of your spouse, each of your children and additional dependants (*as defined*), or they will not be covered. It is important that we have the correct details of your spouse, the children and additional dependants (where additional cover is given and selected at an additional life insurance premium). If any amendments are required, or you would like to understand who can be covered, please contact us for assistance.
- 5.3 **Important to note:**
 - 5.3.1 Details of your spouse must be on record.
 - 5.3.2 For your children or additional dependants, to be covered for an insured event, they must be:
 - 5.3.2.1 on record; **and**
 - 5.3.2.2 totally financially dependent on you. This means that from the date you add a child or additional dependant to this life insurance policy and throughout the lifetime of this life insurance policy, you (the main member) are totally responsible for the livelihood and support of the insured child or additional dependant and pay for their food, medicine, shelter, money, education and clothing; **and**

It is your responsibility to prove that your dependants are a member of your family through blood or by a recognised legal relationship and are totally financially dependent on you as described above.

6. PAYMENT AND NON-PAYMENT OF LIFE INSURANCE PREMIUMS

- 6.1 It is your responsibility to pay your membership fee, which includes the life insurance premiums paid to your insurer, on time or you will not be covered. Please contact us if you want to change the collection (due) date which we have agreed with you.
- 6.2 **Payment of life insurance premiums:**
 - 6.2.1 Please note that your life insurance premium, stated in the *life insurance benefits section of this life insurance policy*, is collected as part of your membership fee due to The Unlimited and paid by us to the Life Insurer.
 - 6.2.2 The monthly life insurance premium is due in advance, and your monthly membership fee must be paid by you to us by the agreed monthly due date (due date). This life insurance policy will not be binding on us or the Life Insurer until the first payment has been received and the insurance accepted by the Life Insurer.
 - 6.2.3 You must pay your monthly fee by debit order, unless otherwise agreed by us in writing. Your debit order will be presented to your bank on the due date.
- 6.3 **Unpaid life insurance premiums:**
 - 6.3.1 **If we do not receive the payment by the agreed due date you will have NO cover.**
 - 6.3.2 The standard period of grace for the payment of missed life insurance premiums is applied, namely 15 (fifteen) days, calculated from the life insurance premium collection (due) date. During the grace period, all life insurance benefits will remain in force. However, in the event of a valid claim occurring during this period, the outstanding life insurance premium can be

deducted from the amount to be paid. If we do not receive payment within the 15 days, you will not have cover.

Example: Life Insurance Premium due date is the 1st of May. If you miss a payment you will only have until the 15th of May to make a manual EFT payment to us. If you don't, you will not have cover.

- 6.4 **Please note that we do not double debit missed payments. If you miss a payment you need to make an electronic funds transfer (EFT payment) within the grace period or you will have NO cover. Call 0861 990 000 for assistance.**
- 6.5 If your monthly payment is not received you agree that we may, at our discretion, try and collect from your account a further 3 times. If we cannot collect the payment after 3 consecutive attempts the life insurance policy will automatically end. This means that your life insurance policy will lapse and will not be re-instated. PLEASE NOTE: You and any person insured will not be entitled to any life insurance benefits during any month where we do not successfully collect a payment from you.
- 6.6 If you dispute your monthly debit order payment with the result that the payment is reversed by your bank, and provided the debit order mandate is not cancelled, we will, subject to the terms of this life insurance policy, resubmit the debit order mandate for collection in the month following the dispute/s.
- 6.7 We reserve the right to request collection of the payment on a different due date to the date you have given us should this enable successful life insurance premium collection. This will only be done once we have your approval to make this change or alternatively once we have notified you 31 days before making the change. This will become the payment due date unless we indicate it is simply for a specific debit.

IMPORTANT: Your payment may be collected on a different date due to a public holiday or weekend, without notifying you. Any bank charges incurred as a result will be for your own account.

7. AMENDMENTS TO COVER OR LIFE INSURANCE PREMIUMS:

- 7.1 **We reserve the right to amend, add or change the life insurance premium, benefit waiting period or terms and conditions of this life insurance policy, including your cover, by giving 31 days' written notice to you of our intention to do so.**
- 7.2 Any variations and or changes, referred to above, including any life insurance premium rate adjustment will be binding on you and can be applied at any time to the existing terms and conditions after written communication of these changes has been sent.
- 7.3 We will notify you of any increases or changes by SMS or WhatsApp to the number you provided to us.
- 7.4 The month-to-month life insurance policy is automatically renewed on the same terms for a further month every time you make a fee payment, which must be paid on the due date.
- 7.5 We make use of DebiCheck collection services (at no cost to you). This prioritises your debit to ensure that we are able to collect the monthly life insurance premium. If the debit order is unable to collect on the due date you have given us, we use a tracking system that allows us to process your debit on another date to improve the likelihood of a successful debit order collection and that allows you to keep your membership and life insurance policy active, but it remains your obligation to see that all life insurance premiums are paid.

8. WHEN DOES YOUR COVER START?

- 8.1 You authorise The Unlimited to apply on your behalf to the Life Insurer for the life insurance benefits.
- 8.2 On acceptance of your application by the Life Insurer, The Unlimited will pay the Life Insurer the first life insurance premium and the life insurance policy will start (the start date). Provided the Life Insurer accepts

our application, the start date of your life insurance policy will be the same date we successfully collect your first monthly fee.

- 8.3 Payment by The Unlimited of the first life insurance premium to the Life Insurer is subject to the following:
 - 8.3.1 that The Unlimited has received payment of your first monthly fee;
 - 8.3.2 that The Unlimited has applied to the Life Insurer for the life insurance on your behalf; and
 - 8.3.3 that the Life Insurer has accepted the application from The Unlimited.
- 8.4 You are entitled to your life insurance benefits from the start date, subject to any waiting period that may apply.
- 8.5 If you are unsure when your cover starts, please contact us to confirm the start date of your life insurance policy.

9. CANCELLATION OF YOUR LIFE INSURANCE POLICY

- 9.1 You can cancel your life insurance policy at any time. CALL US ON 0861 990 000 OR EMAIL US ON CUSTOMERCARE@THEUNLIMITED.CO.ZA
- 9.2 The Life Insurer can cancel or void the life insurance policy (or sections thereof) at any time if you do not fulfil your duties under this life insurance policy or if you misrepresent material facts, are dishonest or fraudulent in your actions, by us notifying you:
 - 9.2.1 immediately in writing of cancellation / voidance for fraudulent or dishonest actions or the non-payment of life insurance premium; and
 - 9.2.2 of cancellation after 31 days' notice in writing (or such other period as may be mutually agreed and/ or otherwise prescribed by this life insurance policy).

10. RE-INSTATEMENT OF LIFE INSURANCE BENEFITS

- 10.1 You may, within 30 days of the lapse date, notify us in writing of your desire to reinstate the life insurance policy. We will then decide whether to reinstate the life insurance policy or not, but subject to a no-claims declaration. Cover will then be provided subject to continued payment of the membership fee by the due date, the usual waiting periods and life insurance policy terms and conditions will apply.
