YOUR NON-INSURANCE BENEFITS

These benefits are not regulated by the FAIS Act and are, therefore, not subject to the same rules and protection.

SPECIFIC TERMS AND CONDITIONS FOR THE NON-INSURANCE BENEFITS:

A. EMERGENCY MEDICAL SERVICES ("EMS")

WHO IS YOUR SERVICE PROVIDER FOR THE EMS BENEFIT?

CIMS SA (Pty) (Ltd) is the service provider which will provide your *emergency medical services ("EMS") benefit*.

WHAT IS YOUR EMS BENEFIT?

- 1.1. **24-hour medical advice and information hotline – telephonic**
Qualified nursing staff are available 24 hours a day to provide general medical information and advice via telephone.
- 1.2. **24-hour emergency medical advice and assistance hotline - telephonic**
When you call the telephonic emergency medical advice and assistance hotline, whereby operators will:
 - 1.2.1. guide you through a medical crisis situation;
 - 1.2.2. provide emergency medical advice; and
 - 1.2.3. arrange the support you require via the medical emergency alarm centre.
- 1.3. **Emergency medical response to the scene of a medical emergency (primary response)**
In the instance of a medical emergency, taking logistical constraints into account (e.g. availability of suitable landing sites and prevailing weather conditions), an appropriate road and/or air response will be undertaken utilising an ambulance, a rapid response vehicle or a helicopter whichever is the most medically appropriate - all of which are manned by appropriately qualified and experienced emergency care practitioners, paramedics or doctors. Such transport will be despatched to the scene of a medical emergency where appropriate lifesaving support will be provided. If necessary, you will be stabilised before emergency medical transportation is provided.
- 1.4. **Emergency medical transportation – pre-hospital**
In the event of your involvement in a medical emergency, we will arrange and pay for emergency medical transportation where required.
For the avoidance of doubt:
 - 1.4.1. You will be transported to a government hospital (and not a private hospital) in the event that you do not have sufficient and current medical aid cover, or in the event that the emergency medical personnel are unable to establish whether you are a paid-up member of a medical aid, e.g. due to the fact that you are unconscious;
 - 1.4.2. The decision as to whether your circumstances constitute a medical emergency for which emergency medical transportation will be provided shall be in the sole and absolute discretion of the medical personnel in the alarm centre;
 - 1.4.3. The choice of which medical facility you are transported to shall be in sole and absolute discretion of the attending emergency paramedic services. You waive any and all claims against us should you suffer any loss and or damages as a direct or indirect result of the choice of medical facility; and
 - 1.4.4. Medical considerations including the degree of urgency, your state and fitness to travel and other relevant considerations including, but not limited to, airport availability, weather conditions and distance to be covered as assessed by the emergency medical alarm centre doctor and support staff will determine whether emergency medical transportation will be provided by medically

equipped fixed wing air ambulance, helicopter, scheduled commercial flight or road ambulance.

- 1.5. In the case whereby the initial emergency medical transportation was provided by the 24-hour call centre, the following additional benefits are available to the member where applicable and medically justifiable:

1.5.1. Inter-hospital transfer:

After the initial emergency medical transportation, an inter-hospital or inter-facility transfer comprises the one-way transportation by road or air ambulance, whichever is most medically appropriate in the opinion of the emergency medical alarm centre doctor, to a more suitable or appropriate medical facility for managing your condition.

1.5.1.1. Upgrade transfer:

If the emergency medical alarm centre doctor, in consultation with your attending doctor, determines that you should be transferred and admitted (one-way transfer) to an alternate medical facility (because the necessary treatment cannot be continued at the present facility), the emergency medical alarm centre will arrange and pay for your transportation to another medical facility which is willing to accept you and where treatment can be provided (after you have been stabilised), subject to the limits specified in the benefit table. This service does not include diagnostic transfers for medical procedures or investigations.

1.5.1.2. Downgrade transfer:

Transfer to a step-down medical facility will only be approved on a medically justified basis as authorised by the emergency medical alarm centre doctor. This transfer will be to the most appropriate and closest facility to the medical facility where you are being treated as an inpatient, and is limited to a single transfer per hospitalisation event.

1.5.1.3. Medical repatriation:

In the event that you are hospitalised outside your home town, (being a distance greater than 100km from your ordinary place of residence), the emergency medical alarm centre will arrange and pay, up to the limits specified in the benefit table, for your repatriation to a medical facility in or near your home town provided the provision of such service is, in the sole opinion of the emergency medical alarm centre doctor, regarded as being medically justified (long-term inpatient treatment is required) and that medical supervision is required for such transfer. We will determine the means of transportation and timing of the repatriation in their sole discretion.

1.5.2. Escorted return of minors

In the event of your minor children being stranded as a result of your hospitalisation whereby the emergency medical transportation was provided through the programme, we will arrange and pay for the transportation of the minor children, under supervision where necessary, into the care of a person nominated by you, within South Africa.

1.5.3. Compassionate visits

Should you be hospitalised, whereby the emergency medical transportation was provided through the programme, further than 100km's outside of your ordinary place of residence for a period exceeding five(5) consecutive days, we will arrange and pay up to R2 000 (including VAT) for the economy class transportation of a close relative to visit you.

HOW TO ACCESS YOUR EMS BENEFIT

- 1.1. You must contact the 24-hour call centre dedicated number and provide your membership number, personal particulars, the place and telephone number where you or your representative can be reached and a brief description of the emergency and the nature of the assistance required.
- 1.2. Where you need a medical transfer or relocation you or your representative must inform the 24-hour call centre of the names, addresses and telephone numbers of the treating hospital, the attending doctor and, if available, your family doctor.
- 1.3. **IMPORTANT:** If an emergency requires that you are taken directly to a medical facility without first contacting the dedicated 24-hour call centre, you must notify the dedicated 24-hour call centre within 72(seventy two) hours of the medical emergency having occurred.
 - 1.3.1. If you have a medical aid, the invoice for ambulance transportation will be submitted to your medical aid for payment.
 - 1.3.2. If you do not have a medical aid and you incorrectly receive an invoice from the ambulance service provider despite having contacted the 24-hour call centre, you may submit the invoice to Cims South Africa for reimbursement within 2(two) months of the date of the medical emergency, together with supporting documentation to: Cims South Africa, P.O. Box 1468, Sunninghill, 2157.

- 1.3. Wilful and self-inflicted injury or self-induced illness, as well as insanity, alcoholism, drug or substance abuse or self-exposure to needless peril (except in an attempt to save human life).

3.2. You have a grace period of 15(fifteen) days, calculated from the payment due date within which to make a manual EFT payment to us. During the grace period, all life insurance benefits will remain in force. However, in the event of a valid claim occurring during this period, the outstanding life insurance premium can be deducted from the amount to be paid. If we do not receive payment within the 15 days, you will not have cover.

Example: Life Insurance Premium due date is the 1st of May. If you miss a payment, you will only have until the 16th of May to make a manual EFT payment to us. If you don't, you will not have cover.

4. **Please note that we do not double debit missed payments. If you miss a payment, you need to make an electronic funds transfer (EFT payment) within the grace period or you will have NO cover. Call 0861 990 000 for assistance.**
5. If we are unable to collect your payment on the due date you have given us, we use a tracking system that allows us to process your debit on another date to improve the likelihood of a successful debit order collection. This allows you to keep your life insurance policy active, but it remains your obligation to see that all payments are made.
6. If your payment is not received, you agree that we may, at our discretion, try and collect from your account a further 3 times.
 - 6.1. If we cannot collect the payment after 4 consecutive attempts, the life insurance policy will automatically end. This means that your life insurance policy will lapse. PLEASE NOTE: You and any person insured will not be entitled to any life insurance benefits during any month where we do not successfully collect a payment from you.
7. If you dispute your monthly debit order with the result that the payment is reversed by your bank, and provided the debit order mandate is not cancelled, we may, subject to the terms of this life insurance policy, resubmit the debit order mandate for collection in the month following the dispute/s.

AMENDMENTS TO COVER OR LIFE INSURANCE PREMIUMS

1. **We reserve the right to amend, add or change the life insurance premium, benefit waiting period or terms and conditions of this life insurance policy, including your cover, by giving 31 days' written notice to you of our intention to do so.**

REINSTATEMENT OF LIFE INSURANCE BENEFITS

You may, within 30 days of the lapse date, contact us with your desire to reinstate the life insurance policy. We will then decide whether to reinstate the life insurance policy or not, but subject to a no-claims declaration. Cover will then be provided subject to us continuing to receive your payment on the due date, the usual waiting periods and life insurance policy terms and conditions will apply. You will not be covered for the period between the lapse date and the reinstatement date.
