If you do not use the maximum value of R4 000 in the 90-day period, **this amount or the balance, is not carried over** to the next 90-day period. The maximum amount for the next 90 days will start again at R4 000. **Please note that certain maintenance and restoration services is excluded. You can see the exclusions at clause 3.4 (below). Minor dents and scratches are typically caused by objects making contact with your vehicle whilst it is stationary or slowly in motion. Examples could be: a trolley running into your vehicle in a parking lot or a hard ball hitting a soft panel on your vehicle next to the sport field. Other forms of minor damage could include brushing your bumper

	against a pillar or curb causing a scratch whilst parking. Damages as described above are normally too small to claim from your comprehensive insurance as the repair value is less than the insurance excess payable.

7.6. BETTERMENT

It is not our aim to put You in a better financial position than before the claim. So, in certain circumstances, where further replacement tyres are required for the Covered Vehicle in addition to the repair and/or replacement of the damaged tyre, the Insurer will only pay for the damaged tyre up to the maximum indemnity of R2,000.00 per quarter (as per clause 7.2).

7.7. PREMIUMS

7.7.1. The premium is due in advance and, if You do not pay Your premium by the monthly due date that We agreed with You ("**Due Date**"), We will notify You of the failure to pay and You will have a grace period of 15 days after the Due Date to pay ("**Grace Period**"). The Grace Period **only applies with effect**

from the date on which Your second premium is due. If You claim during the Grace Period, and the Insurer approves Your claim, We are entitled to deduct the outstanding premium due by You from Your claim amount.

- 7.7.2. Should We be unable to collect any premium from You, and should You fail to remedy this within the Grace Period as per clause 7.7.1 above, Your Policy will lapse. Upon Your Policy lapsing, We shall notify you thereof and present you with the opportunity to enter into a new policy. However, any new policy shall be subject to a new start date, and any waiting period will reapply.
- 7.7.3. The Insurer may increase the premium, subject to giving You 31 days' prior written notice thereof. Notice will be provided by SMS to the number You have on record with Us.
- 7.7.4. You authorise Us to collect the premium from any South African bank account whose details You have provided Us.
- 7.7.5. We make use of NAEDO collections services (at no cost to you) to ensure that We are able to collect Your premium under the Policy. NAEDO is a debit collection system that allows Us to process Your debit closer to Your salary payment date thereby improving the likelihood of a successful debit collection.
- 7.7.6. We reserve the right to request collection of the premium on a different date than that specified in the insurance schedule, should this enable easier premium collection. This will only be done once We have Your approval to make this change or alter natively where we have provided you with 31 days' prior written notice.
- 7.7.7. The Start Date may not be back dated.
- 7.7.8. **IMPORTANT:** Your premium may be collected on a different date due to the Due Date falling on a public holiday or week end; no prior notice will be given to You in such an instance.
- 7.7.9. Any bank charges incurred as a result of the above will be for Your own account.
