ABOUT YOUR COVER

- Your cover only starts on the date that we receive your first successful premium.
- If we do not receive your premium, you will have NO cover.
- The waiting period for the natural death benefit is a total of 6 payments.
- You can use the medical information helpline benefit after we have received your first successful premium.
- This is a life insurance policy, not a funeral policy.
- When your claim is approved, the cash payout can be used for any purpose.
- Your family will stay covered for 6 months after your death – as long as you have a nominated beneficiary over the age of 18, listed on your membership and the death claim for the main member is successful.
- Children and additional dependants must be totally financially dependent on you. The death benefit limits for children are set according to their age at time of death. Please refer to your terms and conditions.
- You must provide us with the name, surname and dates of birth of your partner, each of your children and additional dependants (as defined), or they will NOT be covered.
- Please read your terms and conditions for more information about your insurance and membership benefits, cover limits, exclusions and waiting periods.
