WHAT YOU NEED TO KNOW

Some important details about your cover

- Your cover only starts on the date that we receive your first full successful payment (including the insurance premium).
- If we do not receive your payment, you will have NO cover.
- When your valid claim is approved, the cash payout can be used for any purpose.
- The waiting period for natural death and the money back benefit is a total of 6 payments.
- This is a life insurance policy, not a funeral policy.
- This is not a medical scheme and the cover is not the same as that of a medical scheme. This policy is not a substitute for a medical scheme membership.
- Children and dependants must be totally dependent on you. The death benefit will be paid to the person who can prove the cost of death. Please refer to your benefit limit document for more conditions.
- You must provide us with the name, surname and dates of birth of your partner, each of your children and additional dependants (as defined), or they will NOT be covered.
- After your death, your family will stay covered under the Death Cover and Accidental Death benefits for six months - as long as the death claim for the main member is successful.
- All communications or notices required by this membership or by law, will be sent via SMS or WhatsApp to the cell number you provided.
- Please read your terms and conditions for more information about your insurance and membership benefits, cover limits, exclusions and waiting periods.
