## **UNDERWRITER:**

You are covered for accidental death and injury after your first successful debit.

There is a six-month waiting period for natural death and twelve-months for HIV/AIDS related death that was contracted after the start of your cover. Pre-existing medical conditions are not covered. For example, if you have HIV/AIDS before the start of your cover and die of pneumonia, you won't be covered.

The death cover for you and your spouse is R40 000 and up to R16 000 for your children.

This is not a medical scheme and the cover is not the same as that of a medical scheme. This policy is not a substitute for medical scheme membership.
