GENERAL TERMS AND CONDITIONS FOR YOUR MEMBERSHIP

ACCURACY OF INFORMATION

It is very important that you give The Unlimited, the UMA and the insurer ("us") honest and accurate information at all times. If you give us false or incorrect information, your policy may be invalid or you may not be covered. The Unlimited, the UMA and the insurer ("we") rely on the accuracy and truthfulness of the information you give us.

In the event of any fraud, mis-description, mis-representation or non-disclosure of material facts, we reserve the right, at any time, to void your policy or parts thereof, cancel your policy or reject any benefit claim.

GENERAL DEFINITIONS (what these words mean when used in this membership)

Subject to all the terms and conditions of this membership:

1. **due date** means the date you have agreed with The Unlimited for the debit order collection of your payment every month.
2. **insurer** means Guardrisk Insurance Company Limited, a licensed non-life insurer and an authorised financial services provider (FSP Number 75), the company which provides you with your insurance benefits (please see **THE NON-LIFE INSURANCE POLICY**) and which receives the premium every month.
3. **payment** means the total amount you pay each month for all your membership costs and chosen membership benefits. The payment entitles you to membership of The Unlimited. The payment includes the premium, payable by us to the insurer.
4. **premium** means the amount payable by us to the insurer every month for the insurance cover (please see **THE INSURANCE BENEFITS** listed under the **POLICY** section below). The premium is included in the amount you pay us every month (the "payment") and is disclosed separately in the policy schedule.
5. **The Unlimited** means The Unlimited Group (Pty) Limited, acting as an intermediary and binder holder of the insurer. The Unlimited brings you the membership (non-insurance) benefits and provides certain intermediary services and binder functions in respect of the policy underwritten by the insurer. The Unlimited Group (Pty) Limited is an authorised financial services provider (FSP No. 21473).
6. **Underwriting Manager Agency ("UMA")** means Ambledown Financial Services (Pty) Ltd, Reg. No. 2004/006271/07, and FSP Number 10287.
7. **we/us/our** means the UMA (acting in their own capacity), the insurer (acting in their own capacity) and The Unlimited (acting in their own capacity). When we use the words "we", "us" or "our", the terms and conditions are relevant and binding between you and the UMA, the insurer and The Unlimited.
8. **you/your** means the main member, whose membership has commenced and is continuing, and reference to "you" in the membership wording (including the policy) includes additional lives insured/dependants, where applicable.

WHAT BENEFITS DO YOU GET?

For your payment every month, you get the non-insurance (membership) benefits described in the **MEMBERSHIP BENEFITS** section below and the **INSURANCE BENEFITS** which are described in the **POLICY** (also below).

THE PAYMENT AND PREMIUM

1. Payment must be made by debit order. If you reject the request from your bank to authenticate your debit order mandate, your membership and chosen membership benefits will not start and there will be no agreement between you and The Unlimited. This will also result in no cover of the insurance benefits.
2. In return for the payment, The Unlimited negotiates rates and terms with service providers on your behalf and arranges insurance cover for you. Receipt of your payment every month also entitles you to be notified of further

product offerings, as well as preferential pricing if you buy additional benefits from us.

3. You pay The Unlimited the payment for your membership every month, including the premium which is collected on behalf of the insurer. Any refund of premium due by the insurer, for any reason, will not include the balance of the payment.
4. The payment includes any additional amounts you pay The Unlimited for additional benefits you buy, which will include additional endorsements, amendments and addendums (if any) to your policy.
5. **The Unlimited may change the amount you pay in respect of the payment (which includes the premium). For example, if you buy additional insurance or non-insurance benefits from them, or annually if they do a price increase, but they will always give you 31 days' notice of their intention to do so.**
6. The Unlimited may debit your payment on a different date from the day agreed if there is a better chance of collecting your payment (including the premium) and keeping you covered. **IMPORTANT:** your payment will be collected on a different date due to a public holiday or weekend without notifying you. Any bank charges incurred as a result will be for your own account.
7. It is your responsibility to pay your total payment on the due date. If The Unlimited can't deduct the payment from your bank account (for example, if you don't have funds) you will not be entitled to any of your benefits. To allow us to restore your benefits, you agree that if The Unlimited cannot collect the payment, including the premium, from your bank account in any given month, they can, at their discretion, try and collect from your account a further 3 times by debit order. If they successfully debit your bank account again, the date of that collection will be the new due date. Any bank charges incurred because of failed collections will be for your own account. **PLEASE NOTE:** you and any person who is part of the membership will not be entitled to any benefits during any month where The Unlimited does not successfully collect a payment from you.
8. Please contact The Unlimited if you want to change the due (collection) date which they have agreed with you.
9. If you dispute your monthly debit order payment with the result that the payment is reversed by your bank, and provided the debit order mandate is not cancelled, The Unlimited may resubmit the debit order mandate for collection in the month following the dispute/s.

OTHER IMPORTANT INFORMATION

Cancellation of your membership will include cancellation of **ALL** your insurance and non-insurance benefits.
6. The Unlimited will communicate with you via SMS, WhatsApp or email. This is also how they will notify you of any payment increases or changes to your membership. If you have a preference for how we communicate with you, please tell us.

8. The Unlimited can cancel this membership, including all the insurance and non-insurance benefits you have:
 - 8.1. immediately, by giving you notice in writing of cancellation if you are dishonest or commit fraud; or
 - 8.2. immediately, if they do not receive the payment from you each month (subject to the 15 day grace period); or
9. The Unlimited can cancel this membership on 31 days' notice (or any other longer period) in writing should we no longer offer one or more of the benefits contained in these terms and conditions.
10. Your use of the insurance and non-insurance benefits is always subject to the terms of this membership, as well as the policy, statutory notices, amendments, endorsements and addendums issued by us in terms of your membership (and policy); and must be read together with your signed application form (where relevant) and your **policy schedule** (which was sent to you separately when you took out this membership and policy), and shall form a part of this membership (including the policy).

12. Any variations and/or changes will be binding on you and can be applied at any time to the existing terms and conditions after written communication of these changes has been sent to you.

THE NON-LIFE INSURANCE POLICY ("POLICY")

This policy covers the shortfall between what a health practitioner charges and the amount your medical aid scheme pays for in-hospital treatment and defined outpatient procedures, subject to the terms and conditions of this contract.

OPERATIVE CLAUSE

In consideration of and conditional upon the prior payment of the premium (which is included as part of the payment) by the main member; and the acceptance thereof by or on behalf of Guardrisk Insurance Company Limited (the insurer), the insurer agrees to pay the main member for a defined event occurring during the period of insurance, up to the limit of indemnity and insurance benefits, as stated in the policy and your **policy schedule**.

IMPORTANT, PLEASE READ CAREFULLY

1. **Please note:** This policy wording, together with any declaration you have made and your **policy schedule** (which was sent to you separately when you took out this policy), constitutes the agreement between you, the UMA, the insurer and The Unlimited for the insurance cover (the "policy").
2. This policy is issued to you at your own request and without The Unlimited providing you with any advice, they only provide factual information. Please read it carefully and ensure that it is appropriate to your needs. Please regularly review your cover to ensure that it remains accurate and appropriate. If not, please contact The Unlimited. 3. **emergency** is an event of a sudden and, at the time, unexpected onset of a health condition that requires immediate medical treatment and/or an operation, where failure to provide medical treatment would result in weakened bodily functions, serious and lasting damage to organs, limbs or other body parts, or death.

You must provide The Unlimited with the name, surname and date of birth of your spouse and your spouse must be on record to be covered under this policy. Failure to provide The Unlimited with your spouse's details can result in

THE INSURANCE BENEFITS (what you are covered for under the policy)

Subject to an insured person suffering an insured incident which results in one or more of the defined events (as listed in **DEFINED EVENTS** below), you are covered for the following insurance benefits:

- A. **Gap cover:** this benefit covers the medical expenses shortfall between what a medical practitioner charges and the amount your medical aid scheme pays for in-hospital treatment and/or defined outpatient procedures as stated in the **DEFINED EVENTS**. The benefit is calculated as the actual treatment cost (limited to 6 times the medical aid scheme tariff) less the higher of the medical aid scheme tariff and the amount paid by the medical aid scheme, up to the Gap cover benefit limit (please see **TABLE OF INSURANCE BENEFITS AND INSURANCE BENEFIT LIMITS** in your **policy schedule**).
- B. **Casualty cover:** this benefit covers the costs not covered by the insured person's medical aid scheme for a medical or a surgical procedure performed in a casualty unit/ward of a hospital following an emergency.
The above insurance benefits (A and B) are paid to you, the policyholder, subject to the policy exclusions, conditions and benefit limits per insured person, per calendar year. Please refer to your policy schedule for the specific Rand limitations by benefit.

HOW WE WILL COMMUNICATE WITH YOU

1. We will communicate with you via email, SMS or WhatsApp, using the cell phone number and/or email address you provided The Unlimited when you took out this policy. This will be the agreed method of giving you any notice required by the policy or by law.
2. **We will always communicate with you using your last known details** to fulfil your policy cover and to process any claims you may have. If any of your contact details change, including your current contact number (cell phone), email address, physical and/or postal address, please call The Unlimited immediately on 0861 990 000.

FOR COMPLAINTS AND COMPLIANCE

1. It is important that you are happy with your policy. If you are unhappy for any reason, please call 0861 990 000 and give The Unlimited a chance to see if they can set things right. They will communicate with the insurer on your behalf.
2. If you are still not happy and would like to submit a formal complaint to the insurer, please refer to **HOW TO SUBMIT A COMPLAINT** in this document.

TRANSFERRING YOUR INTEREST IN THE POLICY OR CASH-IN

You cannot transfer your financial interest, or any rights, in this policy to anyone else. You cannot take out a loan against your policy. Your policy is month-to-month and does not pay out any profits, nor can it be cashed in for money.

REPLACEMENT INSURANCE

The Unlimited does not provide financial advice to customers. If this policy, or any part of this policy is replacing an existing policy you have, make sure that you have carefully compared the insurance premiums, insurance benefits and terms and conditions.

JURISDICTION AND CURRENCY

The policy is only valid within the territory of South Africa. All payments will be made in the currency of South Africa. Your policy will be governed by the laws of the Republic of South Africa, whose courts will have jurisdiction in any dispute arising under your policy.

PAYMENT AND NON-PAYMENT OF YOUR PREMIUM

1. It is your responsibility to pay your premium every month or you will not be covered.
2. The policy will be valid for 1 (one) calendar month and is automatically renewed on the same terms for a further calendar month every time your premium is received by the insurer.
3. **Payment of premiums:**
 - 3.1 Please note that your premium, stated in your **policy schedule**, is collected as part of your payment due to The Unlimited and paid by them to the insurer.
 - 3.2 The policy will not be binding on us until the first premium has been received by the insurer.
 - 3.3 You must make payment by debit order, unless otherwise agreed by us in writing. Your debit order will be presented to your bank on the due date unless you reject the request from your bank to authenticate your debit order mandate. Please contact The Unlimited if you want to change the due date they have agreed with you.
 - 3.4 The Unlimited reserves the right to request collection of the payment on a different due date from the date you have given them should this enable a successful collection. This will become the payment due date unless they indicate it is simply for a specific debit.
IMPORTANT: Your payment may be collected on a different date due to a public holiday or weekend, without notifying you. Any bank charges incurred as a result will be for your own account.
4. **Unpaid premiums:**
 - 4.1 If The Unlimited does not successfully collect the premium by the agreed due date every month, and subject to the grace period, your policy will be suspended and you will not have access to your benefits for the month that no premium is received. The insurer will not double debit missed premiums the following month.
 - 4.2. You have a grace period of 15 (fifteen) days, calculated from the payment collection (due) date within which to make a manual payment to The Unlimited. During the grace period, the insurance benefits will remain in force and you will remain covered as long as you make a manual payment to The Unlimited. If The Unlimited does not receive payment within the 15 (fifteen) days, you will have no cover for the month that no premium is received. The grace period applies from the second month of cover.
Example: premium due date is the 1st of May. If you miss a payment, you will only have until the 16th of May to make a manual payment to The Unlimited. If you don't, you will not have cover for the month of the missed payment.
 - 4.3. In the event of your debit order being unsuccessful, The Unlimited uses a tracking system that allows them to process your debit on another date to improve the likelihood of a successful debit order collection. This allows you to keep your policy active, but it remains your obligation to see that all premiums are paid manually during the grace period when any debit order is unsuccessful.
 - 4.4. If your payment is not received, you agree that The Unlimited may, at their own discretion, try and collect from your account a further 3 times.
 - 4.4.1. If The Unlimited cannot collect the payment after 4 consecutive attempts, the policy will automatically end. This means that your policy will be cancelled. **Please note:** You and any person insured will not be entitled to any benefits during any month where The Unlimited does not successfully collect a premium from you, subject to the grace period.
 - 4.4.2. Any bank charges incurred because of failed collections will be for your own account.
 - 4.5. If you dispute your monthly debit order payment with the result that the payment is reversed by your bank, and provided the debit order mandate is not cancelled, The Unlimited may, subject to the terms of this policy, resubmit the debit order mandate for collection in the month following the dispute/s.

AMENDMENTS TO COVER OR PREMIUMS

1. We may change the premium, waiting period or terms and conditions of this policy, including your cover, by giving 31 days' written notice to you of our intention to do so.
2. Premiums are reviewed every year in January. Increases may be due to inflation/market/claim experience.
3. Any variations and/or changes, referred to above, including any premium rate adjustment, will be binding on you and can be applied at any time to the existing terms and conditions after 31 days' notice of these changes have been sent to you.
4. If you choose to cancel your policy during the 31-day notice period of amendment to the policy, you will not be entitled to a refund of premiums already paid.

WHEN DOES YOUR COVER START?

1. On receipt of your first payment, The Unlimited will pay the insurer the first premium and your policy will start on the first day of the calendar month in which your full successful payment (including the premium) occurs (the start date). For example, if your first payment is in April, the start date of your policy is on 1 April.
2. You are entitled to your insurance benefits from the start date, subject to any waiting period that may apply.
3. Should a claim occur within a waiting period (where applicable) there will be no refund of premium/s and no payment of the claim.
4. **Waiting periods:** each insured person will have the following waiting periods applied to their insurance benefits, starting from the calendar month that the insurer successfully receives the first premium.
 - 4.1. A 3 (three) calendar month waiting period, calculated from the start date, is applicable to all insurance benefits, unless an insured person received treatment as a result of an accident. An insured person is covered from the start date if any treatment is received because of an accident.
 - 4.2. Any treatment or advice received for a medical condition an insured person has had before the start of this policy, will have a waiting period of 12 (twelve) calendar months, calculated from the start date.
5. If you are unsure when your cover starts, please contact The Unlimited to confirm the start date of your policy.
6. The minimum entry age for cover under this policy for you, the main member, is 18 (eighteen) years old.

CANCELLATION OF YOUR POLICY

1. You can cancel your policy at any time by contacting The Unlimited who will request cancellation of the policy with the insurer on your behalf, or directly with the insurer. CALL 0861 990 000 OR EMAIL THE UNLIMITED ON CUSTOMERCARE@THEUNLIMITED.CO.ZA.
2. The insurer can cancel or void the policy (or sections thereof) at any time if you do not fulfil your duties under this policy or if you misrepresent material facts, are dishonest or fraudulent in your actions, by the insurer notifying you immediately in writing of cancellation/voidance for fraudulent or dishonest actions or the non-payment of premiums.
3. The insurer may cancel this policy in writing by giving you 31 days' notice (or such other period as may be mutually agreed and/or otherwise prescribed by this policy).
4. When this policy is cancelled (by you or by the insurer) and no further premiums are received from you, all cover and benefits under it will end at midnight on the last day of the calendar month for which the last premium was received.
5. Should this policy end for any reason, any benefits that apply to your dependants will also end. However, in the event of your death, your spouse may elect to continue the cover under this policy as the main member by notifying us within 60 (sixty) days of your death.
6. **Please note:** if you have not yet submitted a claim for an insured incident, and resulting hospitalisation, that happened before the date of cancellation

of this policy, you will have a maximum of 3 (three) months after the date of cancellation to submit your claim, including ALL required supporting documents, to the UMA.

7. **Cooling-off period:** You are entitled to cancel this policy within 14 days after the date of receipt of this policy wording, or from the reasonably determined date on which this policy wording was received. Please note that you may only cancel this policy within 14 days where no benefit has yet been paid or claimed or an insured incident has not yet occurred. All premiums that were paid up to the date that The Unlimited receives the notice of cancellation will be refunded to you, less any risk cover an insured person may have enjoyed.

CLAIMS PROCESS AND CONDITIONS

These are detailed claims conditions that must be in place or complied with by you so that you can make use of the insurance benefits.

Please note: all costs incurred for claiming your insurance benefits or submitting claim documentation are for your account.

Please go to www.theunlimited.co.za for a step-by-step guide on how to submit a claim, or call The Unlimited on **0861 990 000** if you need help with getting your claim started.

1. When can you claim?

- 1.1. As soon as the insurer has received your first premium, you are entitled to cover and to claim insurance benefits if an insured incident occurs after the start date; however, if there is a waiting period, you or any person insured, will not have cover until the waiting period has ended. You can further only claim for the insurance benefits covered if the insurer successfully receives your premiums every month; and if you comply with all the terms, conditions, limitations and exclusions contained in this policy.

Please note: Where the insurance is varied or extended, the insurance provided by any additional benefit, special clause, variation and extension, schedule or addendum is subject to the terms, conditions, exclusions and limitations of this policy from the date of change.

- 1.2. The insured incident must have happened in South Africa, it must be after the start date and an exclusion must not apply.

2. How do you claim your insurance benefits?

Following an insured incident which necessitated a defined event, you must:

- 2.1. notify the UMA of your claim in writing as soon as possible to claims@ambledown.co.za, but no later than 180 (one hundred and eighty) days from the first day of treatment for such event.
- 2.2. provide all supporting claim documents, as reasonably required by the UMA, which shall at least include the following documents relating to the claim:
 - 2.2.1. hospital account;
 - 2.2.2. doctors' account; and
 - 2.2.3. medical aid statement.

If the UMA does not receive all of the required information, they will close the claim.

3. General conditions for any claim:

- 3.1. **The UMA has the right to request additional supporting documents at any time** if they are unable to validate a claim. If the UMA requests additional information from you, it is because it is necessary for them to finalise the claim. They will require your co-operation in providing them with the additional information.
- 3.2. **The insurer may also require the UMA to inspect all current and/or past medical records, including the results of blood tests, and request that an insured person undergoes a medical examination at the insurer's expense.** Where the insured person is not you (the main member), you or a legal guardian will be required to obtain the necessary permission or consent for the insured person to undergo a medical examination, failing which, the claim may be voided.
- 3.3. If you do not comply with the UMA's reasonable requests, do not

co-operate in the investigation of claims or you do not give the UMA specific claim documents/information within **30 days** of the UMA requesting the additional information, the insurer will assume that the claim was not taken up and close the claim.

- 3.4. Any benefit payable in respect of treatment received while confined in hospital shall only become due at the end of such period of confinement. However, at the discretion of the insurer, payment may be made to you at the end of a 30 (thirty) day period of treatment during hospital confinement.
 - 3.5. The UMA will request the insured person's medical aid scheme to re-assess any claim and to negotiate any discount with the relevant service providers. Should a discount be agreed to, the benefit payable in terms of this policy will be settled directly with the service provider. In all other cases, the benefit will be paid to you, your legal representative or the medical practitioner.
 - 3.6. Payment made to any approved claimant (as described above) will discharge our liability and obligations arising out of any event/s which led to the claim.
 - 3.7. No benefit payable shall carry interest.
 - 3.8. In the event that a benefit is paid as a result of any misrepresentation, non-disclosure, misdescription or fraudulent action, you will be obliged to repay or return the benefit received under this policy and the insurer will be entitled to take legal action to recover the benefit and/or any costs associated with such legal action.
 - 3.9. **Please note:** Any claim under this policy will prescribe after 12 (twelve) calendar months from the date of the insured incident. This means that we will have no further liability, nor obligation to the claim. If the claim is subject to an awaiting court action between you and the insurer, the claim will still be valid.
 - 3.10. **There are other more important details which you will find in the STATUTORY NOTICE OF DISCLOSURES AND OTHER LEGAL REQUIREMENTS section in this document. Please make sure you read and understand it and if you have any questions, please call The Unlimited on the number provided.**
4. **Claim repudiations:**
- 4.1. If the insurer repudiates your claim, the UMA will notify you of the repudiation. If you wish to challenge the repudiation, you will have 90 (ninety) days to make written representations to the insurer (complaints@guardrisk.co.za). The insurer has 45 (forty-five) days from receipt of such written representation to notify you of their final decision.
 - 4.2. If the insurer's decision remains unchanged, you have 180 (one hundred and eighty) days from the expiry of the above 90 (ninety) day period to:
 - 4.4.1. institute legal action (if you do not, you may no longer have any claim); and/or
 - 4.4.2. lodge a complaint to the FAIS Ombud, to the National Financial Ombud Scheme or the Financial Sector Conduct Authority.
 - 4.3. **There are more important details about this process in the STATUTORY NOTICE OF DISCLOSURES AND OTHER LEGAL REQUIREMENTS section in this document.**
