AIRTIME
OR
DATA

AIRTIME OR DATA

R100 Airtime or 300MB data loaded onto your SIM card from The Unlimited every month which can be used in a medical emergency. When that medical emergency happens, you also get an extra R100 Airtime to contact your loved one.

IMPORTANT TO KNOW:

Once you are RICA'd your SIM card is ready to use.
Enjoy **double airtime** immediately – even before your first salary deduction.

Your **monthly airtime or data**, which can be used in a medical emergency, is loaded onto your SIM card from The Unlimited every time your salary deduction is successful.

If you lose your SIM, call 0861 990 000.

Top up your The Unlimited SIM card using standard Cell C airtime vouchers.

You are covered for accidental death and injury after your first successful salary deduction.

There is a six-month waiting period for natural death and twelve-months for HIV/AIDS related death that was contracted after the start of your cover. Pre-existing medical conditions are not covered. For example, if you have HIV/AIDS before the start of your cover and it causes pneumonia which leads to death, you won't be covered.

The death cover for you and your spouse is R40 000 and up to R16 000 for your children.

Claims are paid out within 24 hours of claim approval.

This is not a medical scheme and the cover is not the same as that of a medical scheme. This policy is not a substitute for medical scheme membership.

Read your **full** Terms and Conditions for more information about your product.
