THE UNLIMITED MEMBERSHIP

GENERAL TERMS AND CONDITIONS FOR YOUR MEMBERSHIP

ACCURACY OF INFORMATION

It is very important that you give The Unlimited and the Insurer honest and accurate information at all times. If you give The Unlimited and/or the Insurer false or incorrect information, your policy may be invalid or you may not be covered in full or in part. The Unlimited and the Insurer may rely on the accuracy and truthfulness of any information provided by you during any conversation and including in any proposal/application form or other information supplied by you or by The Unlimited on your behalf to the Insurer, including any relevant recorded phone calls made to or received by you.

If any claim or part thereof under this membership is in any way fraudulent, or if any fraudulent means or devices are used by you or anyone acting on your behalf, providing information regarding the claim for you, to obtain any non-insurance or insurance benefit under this membership (whether successfully, or not), or if any event is caused by or arises out of your intentional conduct, or any person acting on your behalf with your connivance; and/or any fraudulent information and/or documentation, whether created by you or any other party is provided by you or anyone acting on your behalf or with your connivance to us in substantiation or support of any claim under this membership and whether or not the claim itself is fraudulent; and/or if the quantum, in whole or part, of any claim is exaggerated by any degree whatsoever by you or anyone acting on your behalf or with your connivance, for any reason whatsoever and whether or not the claim itself is fraudulent; then any and all non-insurance or insurance benefits afforded in terms of this membership in respect of such claim will be forfeited and we will have no liability whatsoever to you in respect of such claim in its totality.

If the Insurer or The Unlimited fail to enforce any provision strictly or at all, this does not mean that we waive any of our rights thereto, nor does it mean that we may not enforce it thereafter.

Please note: in the event that we are unable to successfully verify your identity, we will void your membership from the start date and there will be no agreement between you and us - this means that your membership never started. You will have no cover under the insurance policy and benefits under the membership.

GENERAL DEFINITIONS (What these words mean when used in this membership)

Subject to all the terms and conditions of this membership:

1. **due date** means the date you have agreed with us for the debit order collection of your payment every month.
2. **Insurer** means Centriq Life Insurance Company Limited (Reg. No. 1943/016409/06), a licensed life insurer and an authorised financial services provider (FSP Number 7370) (the Insurer), the company which provides you with your insurance benefits (please see **YOUR INSURANCE BENEFITS** listed under the **LIFE INSURANCE POLICY** section below) and which receives the premium every month.
3. **payment** means the total amount you pay each month for all your membership costs and chosen membership benefits. The payment entitles you to membership of The Unlimited. If you also have insurance benefits, the payment includes the premium, payable by us to the Insurer.
4. **premium** means the amount payable by us to the Insurer every month for the insurance cover (if you have insurance benefits). The premium is included in the amount you pay us every month (the "payment"). The premium is disclosed separately in the policy.
5. **we/us/our** means The Unlimited Group (Pty) Limited, acting on our own behalf or on behalf of the Insurer. We bring you the non-insurance benefits and provide the intermediary services and binder functions on behalf of the Insurer in respect of the insurance benefits you have chosen. The Unlimited Group (Pty) Limited is an authorised Financial Services Provider (FSP No. 21473).

6. **you/your** means the main member, whose membership has commenced and is continuing, and includes additional lives insured/dependants, where applicable.

WHAT BENEFITS DO YOU GET?

For your payment every month, you get the non-insurance benefits described in the **NON-INSURANCE BENEFITS** section below and the insurance benefits which are described in your policy (also below).

WHO IS PARTY TO THE UNLIMITED MEMBERSHIP?

You and qualifying dependants who we have agreed to include at an additional payment. This can include your spouse, children and other additional dependants (as defined)

and

us, The Unlimited

and

Any named service provider which provides your non-insurance benefits, which are described in the **NON-INSURANCE BENEFITS** of this membership.

THE PAYMENT AND PREMIUM

1. Payment must be made by debit order. If you reject the request from your bank to authenticate your debit order mandate, your membership and chosen benefits will not start and there will be no agreement between you and us. We will also not present the debit order for collection if you suspend your DebiCheck authentication before the start date of this membership. We will regard the suspension as your instruction to us not to start the agreement.
2. Please contact us if you want to change the debit order collection date (the "due date") we have agreed with you.
3. In return for the payment, we negotiate rates and terms with service providers on your behalf and arrange insurance cover for you. Receipt of your payment every month also entitles you to be notified of further product offerings as well as preferential pricing if you buy additional benefits from us.
4. The payment includes any additional amounts you pay us for additional benefits you buy, which will include additional premiums for any additional lives insured, endorsements, amendments and addendums (if any) to your policy.
5. You pay The Unlimited the payment for your membership every month, including the premium which is collected on behalf of the Insurer. Any refund of premium due by the Insurer, for any reason, will not include the balance of our payment.
6. **We may change the amount you pay. For example, if you buy additional insurance or non-insurance benefits from us, or annually if we do a price increase, but we will always give you 31 days' notice of our intention to do so.**
7. We may debit your payment on a different date from the day agreed if there is a better chance of collecting your payment (including the premium) and keeping you covered. **IMPORTANT:** Your payment will be collected on a different date, due to a public holiday or weekend, without notifying you. Any bank charges incurred as a result will be for your own account.
8. It is your responsibility to pay your total payment on the due date. If we can't deduct the payment from your bank account (for example, if you don't have funds) you will not be entitled to any of your benefits. **We will not debit arrear (missed) payments the following month.**
9. If we are unable to collect your payment (including the premium) on the due date you have given us, we use a tracking system that allows us to process your debit on another date to improve the likelihood of a successful debit order collection. This allows you to keep your membership active, but it remains your obligation to see that all payments are made.
10. You agree that if we cannot collect the payment (including the premium) from your bank account in any given month we may, at our discretion, try and collect further monthly payments from your account in accordance with the law, including rules prescribed by the Payments Association of South Africa. If any further attempts to collect the payment from your account fail, we

reserve the right to cancel your membership immediately. We will notify you when your membership is cancelled. If we do successfully debit your bank account again, the date of that collection will be the new due date.

11. If you suspend the DebiCheck authentication of your debit order mandate after the start date of this membership, this will not automatically result in the cancellation of your membership, and we will still be entitled to present the debit order for collection.
12. Any bank charges incurred because of failed collections will be for your own account.
13. If you dispute your monthly debit order payment with the result that the payment is reversed by your bank, and provided the debit order mandate is not cancelled, we may resubmit the debit order mandate for collection in the month following the dispute/s.

OTHER IMPORTANT INFORMATION

1. You agree and want to be a party to this membership.
2. You agree that we can market other products and services to you **even after this membership ends** and share market innovations with you.
3. You must be under the age of 65 to enter into this membership. The membership will automatically end when you turn 70 or immediately on the death of the main member, unless your insurance benefits specify a different end date.
4. Any insurance and non-insurance benefits that apply to your spouse and dependants will also end should this membership end for any reason or when your dependants:
 - 4.1. in the case of children, turn 21; and
 - 4.2. in the case of adults, turn 70.
5. This membership is month-to-month, the payment is due in advance and the total amount payable for the membership benefits is inclusive of VAT. The membership will renew on the same terms each month we successfully collect the payment; unless amended.
6. You can only use your insurance and non-insurance benefits in South Africa and for events occurring in South Africa.
7. We will communicate with you via email, SMS or WhatsApp by using the cell phone number and/or email address that you provided The Unlimited when you bought this membership. This is also how we notify you of any payment increases or changes to your membership. If you have a preference for how we communicate with you, please tell us. **If any of your contact details change, please tell us immediately.**
8. You can cancel the membership at any time. Give us a call so we can assist you. There is a cooling-off period of 31 days (calculated from when you received these terms and conditions OR from a reasonable date on which it can be deemed that you received them) in which you can cancel and receive a refund **BUT ONLY IF YOU HAVE NOT USED** any of the insurance and non-insurance benefits. Cancellation of your membership will include cancellation of **ALL** your insurance and non-insurance benefits.
9. We can cancel this membership, including all the insurance and non-insurance benefits you have:
 - 9.1. immediately by giving you notice in writing of cancellation if you are dishonest or commit fraud; or
 - 9.2. immediately if we do not receive the payment from you each month (subject to the 15 day grace period); or
 - 9.3. on 31 days' written notice to you for any other reason (or any other period we agree or that is set out in this membership).
10. Your use of your insurance and non-insurance benefits is always subject to the terms of this membership as well as any policy, statutory notices, amendments, endorsements and addendums issued by us in terms of your membership; and must be read together with, and shall form a part of, this membership.
11. We reserve the right to amend, add or change the cover/benefits provided, including the payment, and premiums, the benefit waiting periods or any of the terms and conditions of this membership (including both insurance and non-insurance benefits), by giving 31 days' written notice to you of our

intention to do so.

12. Any variations and or changes will be binding on you and can be applied at any time to the existing terms and conditions after 31 days' notice of these changes has been sent to you.

YOUR NON-INSURANCE BENEFITS

Your non-insurance benefits are not regulated by the FAIS Act and are, therefore, not subject to the same rules and protection as the insurance benefits provided.

ADDITIONAL DEFINITIONS FOR THE NON-INSURANCE BENEFITS (these definitions apply in addition to those in your existing membership wording)

1. **medical emergency** means any sudden, unexpected and acute illness, injury, condition or event which, in the reasonable opinion of a qualified medical practitioner, requires immediate medical attention to prevent serious harm, disability, or death.
2. **service provider ("SP")** means the company responsible for the provision of your non-insurance benefits, as described beneath each non-insurance benefit below.

SPECIFIC TERMS AND CONDITIONS FOR THE NON-INSURANCE BENEFITS

You agree to indemnify and hold The Unlimited and any service provider, including their affiliates, officers, directors, employees, and agents harmless from any claims, liabilities, damages, losses, or expenses arising from your use of the benefits, or your breach of these terms and conditions or your existing membership wording. To the extent permitted by law, The Unlimited and its affiliates and representatives will not be liable for any loss, damage, expense or claim arising from the non-insurance benefits or services being unavailable, interrupted, delayed, or performed in a defective manner, except to the extent caused by our gross negligence or wilful misconduct. Nothing in this clause limits any rights you may have under applicable insurance legislation or the Consumer Protection Act.

A. EMERGENCY MEDICAL SERVICES ("EMS")

WHO IS THE SERVICE PROVIDER FOR THE EMS BENEFIT?

The SP is a third-party provider contracted by The Unlimited for the provision of the EMS benefit. The SP may change from time to time at our sole discretion.

WHAT IS YOUR EMS BENEFIT?

Your EMS benefit includes the following emergency services:

1. **Emergency medical response to the scene of a medical emergency**
Qualified paramedics, doctors, or emergency care practitioners will provide stabilisation and lifesaving support at the scene before transporting you to the nearest hospital or medical facility. Depending on the severity of the emergency and logistics, the response may be by road ambulance, rapid response vehicle, or air ambulance.
2. **Emergency medical transportation to a hospital**
If you are involved in a medical emergency, the SP will arrange emergency medical transportation when necessary. It's important to note:
 - 2.1 The emergency services response team and/or contact centre team will assess the situation and decide whether emergency transportation is required.
 - 2.2 The type of medical transportation from the emergency scene will be arranged based on your condition and fitness to travel, the urgency of the situation, and practical factors including weather conditions and distance. The emergency contact centre team will determine whether transportation will be provided by a medically equipped fixed-wing air ambulance, helicopter, road ambulance or scheduled commercial flight.
3. **Inter-hospital transfer**
After your initial emergency transportation, you may need to be moved to another hospital or medical facility that's better suited to treat your condition. This transfer is a one-way transportation by road or air ambulance — whichever is most appropriate as decided by the emergency medical team's doctor.
 - 3.1 Upgrade transfer: if the SP and your attending doctor agree that you need to move to another hospital for continued treatment

(because the current facility can't provide the necessary care), the SP will arrange your transfer to another hospital that can accept you and continue your treatment once you've been stabilised.

- 3.2 Downgrade transfer: if your condition improves and you no longer need full hospital care, the SP may authorise a transfer to a step-down facility. This is subject to the downgrade transfer being:
 - 3.2.1 medically necessary and approved by the SP;
 - 3.2.2 limited to the closest suitable facility; and
 - 3.2.3 limited to one transfer per hospital stay.

4. Medical repatriation (distance greater than 100km)

If you are hospitalised more than 100 km from your home, the SP may arrange and pay to transfer you to a hospital closer to home, subject to:

- 4.1 the transfer being medically necessary;
- 4.2 long-term inpatient care being required; and
- 4.3 medical supervision being required during the transfer.

Please note, the emergency contact centre team will decide the best timing and method of transport for your medical situation.

HOW TO USE YOUR EMS BENEFIT

1. Call the 24-hour emergency contact centre on 0861 990 000.
2. If you or your dependants call from the cellphone number you gave us when you agreed to your membership, you will be connected directly to the emergency contact centre. If any other number is used, the caller will need to provide the emergency contact centre with your personal details, including the cellphone number provided when you agreed to your membership, to validate your eligibility before they can assist you with a medical emergency.
3. While help is on the way, the emergency contact centre team will keep you updated with the emergency services response team's estimated time of arrival.
4. When the emergency services response team arrives, they will assess the situation, provide treatment on site, and, if needed, arrange transport to an appropriate medical facility.

IMPORTANT EXCLUSIONS

1. The SP will not pay for emergency services if the 24-hour emergency contact centre did not authorise or coordinate the emergency medical response, emergency medical transport, inter-hospital transfer or medical repatriation. If another emergency services response provider transports you, you are responsible for all of the costs associated with the emergency medical response and transportation.
2. The SP will not authorise or dispatch emergency services for minor (non-life-threatening) illnesses or injuries that can be treated locally (for example, by your GP) and do not require emergency response or transport.

THE LIFE INSURANCE POLICY ("POLICY") GENERAL TERMS & CONDITIONS FOR THE POLICY

IMPORTANT, PLEASE READ CAREFULLY

1. Your use of the insurance benefits is always subject to the terms and conditions of this policy, statutory notices, amendments, endorsements and addendums issued by us in terms of the policy; and must be read together with, and shall form a part of, this policy.
2. The policy is issued to you at your own request and without us providing you with any advice, we only provide factual information. Please read it carefully and ensure that it is appropriate to your needs. If not, please contact us. Also see **CANCELLATION OF YOUR INSURANCE BENEFITS** below.

GENERAL DEFINITIONS (what these words mean when used in this policy)

Subject to all the terms and conditions of this policy:

1. **accident** means an external, violent, unexpected and visible event, but which occurs at a time and place that can be identified. For example, a motor vehicle accident, an assault or burns.
2. **additional dependant** means any person, whose name and date of birth you have given to us and who are totally financially dependent on you. If you have chosen to cover an additional dependant, this means that from the date you add an additional dependant to this policy and throughout the lifetime of this policy, you (the main member) are totally responsible for the livelihood and support of your additional dependant and pay for their food, water, medicine, shelter and clothing. They must also be a member of your family through blood or by a recognised legal relationship.

IMPORTANT: the number of additional dependants that you can add is stated in the **INSURANCE BENEFITS** section of this policy, at an additional cost to you, where applicable. Failure to provide The Unlimited with your additional dependant/s' details can result in the rejection of a claim, or the Insurer voiding the policy or parts thereof.

3. **child/ren** means your biological children, stepchildren, adopted children and children who are related to you by blood or a legally recognised relationship. The child/ren must be under the age of 21 and totally financially dependent on you. If you have chosen to cover your child/ren, this means that from the date you add a child to this policy and throughout the lifetime of this policy, you (the main member) are totally responsible for the livelihood of your child/ren and pay for their food, water, medicine, shelter and clothing.

IMPORTANT: You may add your child/ren to this policy from the day they are born alive (and up to the age of 21).

The number of children that you can add is stated in the **INSURANCE BENEFITS** section of this policy, at an additional cost to you, where applicable. You must provide The Unlimited with the name, surname and dates of birth of your child/ren and your child/ren must be on record to be covered under this policy. Failure to provide The Unlimited with your child/ren's details can result in the rejection of a claim, or the Insurer voiding the policy or parts thereof.

4. **grace period** means the period of 15 (fifteen) days following a failed premium collection (calculated from the payment due date), within which you can make a payment to us. During the grace period, all insurance benefits will remain in force. In the event of a claim occurring during the grace period, if the claim is approved you authorise us to deduct all outstanding premiums from the claim settlement amount.
5. **insured event** means an accident which results in an insured person's admission/s to hospital because of an accidental injury, or an insured person's death (accidental or natural), from any cause not excluded under this policy.
6. **insured person** means you, your spouse and/or any child or other additional dependant who is covered under this policy. They must be South African citizens or, if they aren't, they must have residential rights in South Africa.
7. **Insurer** means Centriq Life Insurance Company Limited (Reg. No. 1943/016409/06), a licensed life insurer and an authorised financial services provider (FSP Number 7370) (the Insurer), the company which provides you with your insurance benefits (please see **YOUR INSURANCE BENEFITS** listed

under the **LIFE INSURANCE POLICY** section below) and which receives the premium every month.

8. **membership** means membership of The Unlimited and no policy can exist without membership.
9. **premium** means the amount payable by us to the Insurer every month for the insurance cover (if you have insurance benefits). The premium is included in the amount you pay us every month (the "payment"). The premium is disclosed separately in the policy.
10. **spouse/partner** means a named person who you are married to by civil law, tribal custom or in terms of any religion, this includes your life partner. If you have chosen to cover your spouse, the details of your spouse must be on record, he/she must normally live with you in South Africa and you must be interdependent on each other. At the time of a claim, it is your responsibility to prove that you and your spouse are interdependent and that you normally live together. When we use the word "partner", we refer to your spouse (as described above) or your life partner, whomever is named on your policy.
11. **start date** means the date on which the first payment (including the premium) is successfully received by us and is the date on which all your insurance benefits are available (subject to waiting periods).
12. **waiting period** means the period specified in this policy/the **INSURANCE BENEFITS** section during which we need to successfully collect a specified minimum number of payments (including the premium) from you before you are entitled to claim under this policy. Please note, the specified minimum number of payments start from when a person is added to the policy and cover for the applicable insured person will begin when we have received the required minimum number of payments (including the premium) for that person.

HOW WILL WE COMMUNICATE WITH YOU?

1. We will communicate with you via email, SMS or WhatsApp, using the cell phone number and/or email address you provided The Unlimited when you took out this policy. This will be the agreed method of giving you any notice required by the policy or by law.
2. **We will always communicate with you using your last known details (including the details of your dependants and beneficiary, where relevant)** to fulfil your policy cover and to process any claims you may have. If any of your contact details change, including your current contact number (cell phone), email address, physical and/or postal address, please call The Unlimited immediately on 0861 990 000.

FOR COMPLAINTS AND COMPLIANCE

1. It is important that you are happy with your policy. If you are unhappy for any reason, please call us on 0861 990 000 and give us a chance to see if we can set things right.
2. If you are still not happy, then refer to '**HOW TO SUBMIT A COMPLAINT**' in the **STATUTORY NOTICE OF DISCLOSURES AND OTHER LEGAL REQUIREMENTS** section below.

PAYMENT AND NON-PAYMENT OF PREMIUMS

It is your responsibility to pay your premium every month or you will not be covered.

1. **Payment of premiums:**
 - 1.1. Please note that your premium, stated in the **INSURANCE BENEFITS** section of this policy, is collected as part of your payment due to us every month, and paid by us to the Insurer.
 - 1.2. The premium is due in advance and this policy will not be binding on us or the Insurer until the first premium has been received by the Insurer.
 - 1.3. This policy is month-to-month. It will renew on the same terms each time your premium has been received by the Insurer.
 - 1.4. You must make payment by debit order, unless otherwise agreed by us in writing. Your debit order will be presented to your bank on the due date unless you reject the request from your bank to authenticate your debit order mandate (DebiCheck). We will also not present the

debit order for collection if you suspend your DebiCheck authentication before the start date of this policy. Please contact us if you want to change the due date we have agreed with you.

- 1.5. We reserve the right to request collection of the payment on a different due date from the date you have given us should this enable a successful collection. This will become the payment due date unless we indicate it is simply for a specific debit.

IMPORTANT: Your payment may be collected on a different date due to a public holiday or weekend, without notifying you. Any bank charges incurred as a result will be for your own account.

2. Unpaid premiums:

- 2.1. **If we do not receive the payment by the agreed due date, you will have NO cover. We will not debit arrear (missed) payments the following month.**

- 2.2. You have a grace period of 15 (fifteen) days, calculated from the payment due date within which to make a manual payment to us. During the grace period, all insurance benefits will remain in force. However, in the event of a valid claim occurring during this period, the outstanding premium can be deducted from the claim settlement amount. If we do not receive payment within the 15 days, you will not have cover.

Example: premium due date is the 1st of May. If you miss a payment, you will only have until the 16th of May to make a manual payment to us. If you don't, you will not have cover.

3. In the event of your debit order being unsuccessful, we use a tracking system that allows us to process your debit on another date to improve the likelihood of a successful debit order collection. This allows you to keep your policy active, but it remains your obligation to see that all payments are made.
4. If your payment is not received or if you suspend the DebiCheck authentication of your debit order mandate after the start date of this policy, this does not mean that your policy will be automatically cancelled. You agree that we may, at our discretion, try and collect further monthly premiums from your account in accordance with the law, including rules prescribed by the Payments Association of South Africa. At each attempt the grace period of 15 (fifteen) days will apply.
 - 4.1. If any further attempts to collect your premium fail, we reserve the right to cancel your policy immediately. We will notify you when this happens.
 - 4.2. Any bank charges incurred because of failed collections will be for your own account.
5. If you dispute your monthly debit order with the result that the payment is reversed by your bank, and provided the debit order mandate is not cancelled, we may, subject to the terms of this policy, resubmit the debit order mandate for collection in the month following the dispute/s.

AMENDMENTS TO COVER OR PREMIUMS

1. **We reserve the right to amend, add or change the premium, benefit waiting period or terms and conditions of this policy, including your cover, by giving 31 days' written notice to you of our intention to do so.**
2. Any variations and/or changes, referred to above, including any premium rate adjustment, will be binding on you and can be applied at any time to the existing terms and conditions after 31 days' notice of these changes have been sent to you.
3. If you choose to cancel your policy during the 31-day notice period of amendment to the policy, you will not be entitled to a refund of premiums already paid.

WHEN DOES YOUR COVER START?

1. On receipt of your first premium, The Unlimited will pay the Insurer the first premium and your policy will start (the start date). The start date of your policy will be the date we successfully collect your first full successful payment (including the premium).

2. You are entitled to your insurance benefits from the start date of your policy, subject to any waiting period that may apply.
3. Should a claim occur within a waiting period (where applicable) there will be no refund of premium/s and no payment of the claim.
4. If you miss your payment and the Insurer receives your premium at a later date, your policy will re-commence on receipt of that premium and the balance of any waiting period will be taken into account. Unless your policy has been cancelled, in which instance a new policy will be issued and new waiting periods will apply.
5. If you are unsure when your cover starts, please contact us to confirm the start date of your policy.

CANCELLATION OF THE POLICY

1. You can cancel your policy at any time. CALL US ON 0861 990 000 OR EMAIL US ON CUSTOMERCARE@THEUNLIMITED.CO.ZA
2. There is a cooling-off period of 31 days (calculated from when you received these terms and conditions OR from a reasonable date on which it can be deemed that you received them) in which you can cancel and receive a refund, **BUT ONLY IF YOU HAVE NOT USED** any of the insurance benefits. Cancellation of your policy will include cancellation of ALL of your insurance benefits.
3. The Insurer can cancel or void the policy (or sections thereof) at any time if you do not fulfil your duties under this policy or if you misrepresent material facts, are dishonest or fraudulent in your actions, by the insurer notifying you immediately in writing of cancellation/voidance for fraudulent or dishonest actions or the non-payment of premiums.
4. The Insurer may cancel this policy in writing by giving you 31 days' notice (or such other period as may be mutually agreed and/or otherwise prescribed by this policy).
5. When this policy is cancelled (by you or by the Insurer) and no further premiums are received by you, all cover and benefits under it will end from the date it is cancelled.

TRANSFER OR CASH-IN

Your policy, or any rights in your policy, cannot be transferred to another person, unless specifically specified by us under the section named **YOUR INSURANCE BENEFITS** below. You cannot take out a loan against your policy. Your policy is month-to-month and does not pay out any profits, nor can it be cashed in for money.

REPLACEMENT INSURANCE

We do not provide financial advice to customers. If this policy, or any part of this policy is replacing an existing policy you have, make sure that you have carefully compared the insurance premiums, insurance benefits and terms and conditions.

CLAIMS PROCESS CONDITIONS

These are detailed claims conditions that must be in place or complied with by you so that you can enjoy the insurance benefits.

1. **When can you claim?**
 - 1.1. As soon as the Insurer has received your first premium (the start date), you are entitled to cover and to claim your insurance benefits if an insured event occurs; however, if there is a waiting period, you or any person insured, will not have cover until the waiting period has ended. You can further only claim for the insurance benefits covered if we successfully receive your payment (including the premium) every month; and if you comply with all the terms, conditions, limitations and exclusions contained in this policy.
PLEASE NOTE: Where the insurance is varied or extended, the insurance provided by any additional benefit, special clause, variation and extension, schedule or addendum is subject to the terms, conditions, exclusions and limitations of this policy from the date of change
 - 1.2. **The insured event must have happened in South Africa, it must be after the start date and an exclusion must not apply.**

2. **Time period to submit a claim?**

2.1. Your claim form and supporting claim documents must be submitted to us by you or the nominated beneficiary or alternative claimant (where applicable) within 30 days of the insured event. If we do not receive the information we need, the Insurer will close your claim.

3. **How do you claim your insurance benefits?**

3.1. It's simple, CALL US on 0861 990 000 and we will guide you through the process.

3.2. **Your claim documents can be sent by any of the methods below to:**
