REMARKABLE VALUE?

Phone Damage Cover*

You get your phone fixed or replaced if it gets damaged – including a cracked screen and even liquid damage – immediately from your first successful payment. No pre-existing damage will be repaired. (There is an excess amount payable every time you claim. Including if you claim within the first 60 days of the agreement, then an additional R300 excess will be added).

You get access to this service that lets you alert your family and friends in an emergency. (Use The Unlimited Alert APP or call 0861 990 000 24/7).

Track Me Function

You get access to this service that lets you set a time limit for any outdoor event or journey. When time runs out, the APP automatically notifies your family and friends and provides them with your details and last known location. (Use The Alert APP or call 0861 990 000 24/7).

Find Near Me

You get access to this service that lets you search for, navigate to or contact the closest, most relevant emergency service provider, based on your current location. (Use The Alert App or call 0861 990 000 24/7).

It is important to note that all of the above alerts will only work if your "THE UNLIMITED ALERT" App is active (open).

If you cannot download the App, we will give you access to a 24 hour helpline, that will get you in touch with family and friends in an emergency.
