YOU HAVE

Up to
R12 100
to cover accidental damage
to tyres & rims per year

If your tyres or rims are accidentally damaged due to impact on uneven road surfaces, such as potholes or cuts from hitting a kerb, you're covered for the repair or replacement costs as seen below:

Up to **R3 650** per claim for
accidental damage to tyres.

Up to **R7 300** per claim for
accidental damage to wheel rims.

You can claim up to **R10 700** per incident
and up to **R12 100** per year.

**Accidentally damaged your tyre?
We'll replace it with a brand new one!**

As long as the damaged tyre is roadworthy
and has 75% or more tread left.

All cover provided and limits displayed are subject to T's & C's.

IMPORTANT DETAILS

ABOUT YOUR COVER

- Your premium will be **R159** per month.
- Your policy starts on the date that we receive your first successful premium.
- There is a 30-day waiting period, calculated from the start date of your policy.
- You must give us full details of your claim within 5 days of the event.
- We only cover vehicles up to and including 20 years of age.
- Your tyre tread must meet the legal road limits, and your vehicle must be roadworthy.
- If your tyre still has 75% or more tread, we'll replace it with a new tyre, if it cannot be repaired.
- If your tyre has less than 75% tread, we'll cover the cost based on the tread left. So, if the tyre has 60% tread, we'll pay 60% of the tyre replacement.
- If you replace your vehicle, let us know, so we can send you a new policy schedule. If you don't tell us, your new vehicle will not be covered.

What's not covered?

- Any existing damage that occurred before the start of your policy will not be covered.
- Tyres that are worn below the legal limit.
- If your tyres and rims are covered by a manufacturer or dealership warranty.
- Tyres or rims that are damaged because of an accident which is covered under comprehensive insurance.
- Damage to your tyres or rims caused by overloading your vehicle with too much weight (e.g. carrying too many passengers or towing more than the recommended limit).
- Damage caused by wear and tear, lack of proper maintenance, checks, or necessary repairs of tyres and rims.
- Damage caused by improper fitment, misalignment or assembly imbalance.
- Vehicles used for hire or payment of any kind, courier services, racing, rallying, sporting events or off-roading.
