THE UNLIMITED

Product underwritten by Dotsure Limited (Registration number 2006/000723/06), a licensed non-life insurer and authorised financial services provider (FSP39925).

THE UNLIMITED WARRANTY POLICY POLICY WORDING

DEFINITIONS (what these words mean when used in this policy)

Subject to all the terms and conditions of this policy:

1. **insured event** means a mechanical breakdown or an electrical failure of a part/component fitted to the vehicle insured under this policy, which occurs during the period of cover on your policy from any cause not excluded under this policy.
2. **premium** means the monthly amount collected by The Unlimited, which is due to and received by the insurer for the policy cover (see **WHAT YOU ARE COVERED FOR**).
3. **start date** means the date on which the first premium is successfully collected by The Unlimited and is the date on which all your policy benefits become available (subject to the waiting period). If you miss a premium and The Unlimited can successfully collect your premium at a later date, your policy will re-commence and the balance of any waiting period will be taken into account. Unless your policy has terminated (lapsed), in which instance a new policy will be issued and new waiting periods will apply.
4. **the insurer** means Dotsure Limited, a licensed non-life insurer and an authorised financial services provider (FSP Number 39925), the underwriter of this policy.
5. **The Unlimited** means The Unlimited Group (Pty) Limited, acting as an intermediary and providing certain outsourced services in respect of the policy underwritten by the insurer.
6. **waiting period** means the period specified in this policy, during which you will not be entitled to claim under this policy. This means the first 60 days from the start date of this policy, during which you will not be entitled to claim under this policy. Any reference to a waiting period throughout this policy, is a reference to 60 days from the start date.
7. **we/us** means both the insurer (acting in their own capacity) and The Unlimited (acting in their own capacity). When we use the words "we", "our" or "us", the terms and conditions are relevant and binding between you and the insurer and The Unlimited.
8. **you/your** means the policyholder.

IMPORTANT, PLEASE READ CAREFULLY

1. This policy wording, together with your **policy schedule** (which was sent to you separately), constitutes the agreement between you, the insurer and The Unlimited ("policy"). Benefits under the policy are always subject to the terms and conditions, as contained in this policy wording and your **policy schedule** as well as any statutory notices, amendments, endorsements and addendums issued by us, which must be read together with and shall form a part of this policy.
2. It is your duty to read and follow the rules explained in this policy wording and your **policy schedule**. If you do not carry out your duty in terms of this policy, we may increase your premium, cancel your policy or we may not pay your claim.
3. This policy is issued to you at your request and without The Unlimited providing you with any advice, they only provide factual information. Please read it carefully and ensure that it is appropriate to your needs. If not, please contact The Unlimited. Also see **CANCELLATION OF YOUR POLICY** below.

ACCURACY OF INFORMATION

It is very important that you give The Unlimited and the insurer honest and accurate information at all times. If you give The Unlimited and/or the insurer false or incorrect information, your policy may be invalid or you may not be covered in full or in part. The Unlimited and the insurer may rely on the accuracy and truthfulness of any information provided by you during any conversation and including in any proposal/application form or other information supplied by you or by The Unlimited on your behalf to the insurer, including any relevant recorded phone calls made to or received by you.

Please note: in the event that we are unable to successfully verify your identity, we will void your policy from the start date and there will be no agreement between you and us - this means that your policy never started. You will have no cover under the insurance policy and benefits under the membership.

HOW WE WILL COMMUNICATE WITH YOU

1. We will communicate with you via email, SMS or WhatsApp by using the cell phone number and/or email address that you provided to The Unlimited when you took out the policy. This will be the agreed method of giving you any notice required by the policy or by law.
2. **We will always communicate with you by using your last known details** to fulfil your policy cover and to process any claims you may have. If any of your contact details change, including your current contact number (cell phone), email address, physical and/or postal address, please call The Unlimited immediately on 0861 990 000.

FOR COMPLAINTS AND COMPLIANCE

1. It is important that you are happy with your policy. If you are unhappy for any reason, please call 0861 990 000 and give us a chance to see if we can set things right. We will communicate with the insurer on your behalf.
2. If you are still not happy and would like to submit a formal complaint to the insurer, please refer to **'How to submit a complaint'** in your **policy schedule**.

INSURABLE INTEREST

'Insurable Interest' means that you are the owner, or the 'good faith' keeper in terms of a credit agreement, of the insured item and you accept the risk of financial loss of the item listed in your **policy schedule** for the whole period of cover and also at the date of any event for which you claim.

TRANSFERRING YOUR INTEREST IN THE POLICY OR CASH-IN

You cannot transfer your financial interest, or any rights, in this policy to anyone else. You cannot take out a loan against your policy. Your policy is month-to-month and does not pay out any profits, nor can it be cashed-in for money.

DISHONESTY

The insurer may refuse to pay a claim under this policy and/or the insurer may cancel the policy if you have **dishonestly/fraudulently** tried to take advantage of the insurer.

For example, if you dishonestly exaggerate (overstate) the amount of your claim to get an inflated claims payment under your policy or if you give incorrect information to either get cover at a reduced premium or hide the fact that you did not comply with policy terms and conditions, this can be considered dishonest or fraudulent conduct.

All benefits under this policy will be lost, and the policy may be terminated at the insurer's instance. In such an event, you will not be entitled to a refund of any premiums paid in respect of the policy. The insurer may also take legal action against you. If this happens, you will have to repay all and any amounts which the insurer previously paid towards your claims under this policy.

TAKING CARE

You must take all reasonable steps to prevent loss or damage to your vehicle that is covered by this policy and to keep the vehicle covered by this policy in good condition. If you do not, a claim may be rejected or payment of the claim could be reduced.

OTHER TERMS AND CONDITIONS

The cover under your policy may be subject to more specific rules. They are explained and detailed in your **policy schedule**. You must follow these rules as they affect your cover.

RELEVANT LAW

This policy is subject to the laws of South Africa only. Any legal proceedings between us in connection with this policy will only take place in the courts of South Africa.

PAYMENT AND NON-PAYMENT OF YOUR PREMIUM

1. The policy will be valid for 1 month and is automatically renewed on the same terms for a further month every time you pay your premium on the due date.
2. **Payment of premiums:**
 - 2.1. Please note that your premium, stated in your **policy schedule**, is collected by The Unlimited and paid to the insurer on your behalf, every month. Payment to The Unlimited is deemed to be payment to the insurer.
 - 2.2. You must pay your premium by debit order, unless otherwise agreed by The Unlimited in writing. Your debit order will be presented to your bank on the due date. If you reject the request from your bank to authenticate your debit order mandate, your policy and chosen policy benefits will not start and there will be no agreement between you and us.
 - 2.3. The premium is due in advance and it is your responsibility to ensure you have available funds in your account and that your premium is paid every month and on time to The Unlimited by the agreed monthly collection date ("the due date"), or you will not be covered. This policy will not be binding on the insurer until the first premium has been received.
 - 2.4. Should you miss payment of a premium within the waiting period, your waiting period will be paused and will recommence when The Unlimited successfully collects your next premium.
 - 2.5. The Unlimited reserves the right to request collection of the premium on a different due date to the date you have given them should this enable successful premium collection. This will become the premium due date unless The Unlimited indicates it is simply for a specific debit. **IMPORTANT:** Your premium may be collected on a different date due to a public holiday or weekend, without notifying you. Any bank charges incurred as a result will be for your own account.
 - 2.6. Please contact The Unlimited if you want to change the collection (due) date they have agreed with you.
3. **Unpaid premiums:**
 - 3.1. If The Unlimited does not successfully collect the premium (in the first month or any month thereafter) by the agreed due date, you will have NO cover.
 - 3.2. You have a grace period of 15 (fifteen) days, calculated from the premium collection (due) date within which to make a manual EFT payment to The Unlimited. During the grace period, the policy will remain in force, however, in the event of a valid claim occurring during this period, the outstanding premium can be deducted from the amount to be paid. If The Unlimited does not receive payment within the 15 days, you will not have cover.
Example: the premium due date is the 1st of May. If you miss the payment of a premium, you will only have until the 16th of May to make a manual EFT payment to The Unlimited. If you don't, you will not have cover.
 - 3.3. Please note that The Unlimited does not double debit missed premiums. If you miss the payment of a premium, you need to make an electronic funds transfer (EFT payment) within the grace period or you will have NO cover. Call 0861 990 000 for assistance.
 - 3.4. If The Unlimited is unable to collect your premium on the due date you have given them, The Unlimited uses a tracking system that allows them to process your debit on another date to improve the likelihood of a successful debit order collection. This allows you to keep your policy active, but it remains your obligation to see that all premiums are paid.
 - 3.5. If your premium is not received, you agree that The Unlimited may, at their discretion, try and collect from your account a further 3 times.

- 3.5.1. If The Unlimited cannot collect the premium after 4 consecutive attempts, the policy will automatically end. This means that your policy will lapse and will not be re-instated. PLEASE NOTE: You will not be entitled to the policy cover during any month where The Unlimited does not successfully collect a premium from you and/or no manual EFT payment has been made to them.
- 3.5.2. If The Unlimited successfully debits your bank account again, the date of that collection will be the new start date. Any bank charges incurred because of failed collections will be for your own account.
- 3.6. If you dispute your monthly debit order payment with the result that the payment is reversed by your bank, and provided the debit order mandate is not cancelled, The Unlimited may, subject to the terms of this policy, resubmit the debit order mandate for collection in the month following the dispute/s.

AMENDMENTS TO COVER OR PREMIUMS

1. The insurer may change your premium or make changes to the terms and conditions of this policy, including your cover, by giving 31 days' written notice to you of its intention to do so.
2. Any variations and/or changes, referred to above, including any premium rate adjustment, will be binding on you and can be applied at any time to the existing terms and conditions after the 31 days (in terms of the above notice) have lapsed, calculated from the date on which notice of these changes was sent to you.
3. If you choose to cancel your policy during the 31-day notice period of amendment to the policy, you will not be entitled to a refund of premiums already paid.

WHEN DOES YOUR COVER START?

1. The **start date of your policy** will be the date The Unlimited successfully collects your first premium. On receipt of your first premium, The Unlimited will pay the insurer the first premium due to it.
2. A waiting period of 60 days applies to cover under your policy, calculated from the start date of your policy. You will be able to claim for events that happen 60 days after the start date, subject to all of your premiums being successful and received by the insurer.
3. If you are unsure when your cover starts, please contact The Unlimited or the insurer to confirm the start date of your policy.

CANCELLATION OF YOUR POLICY

1. You can cancel your policy at any time by contacting The Unlimited who will request cancellation of the policy with the insurer on your behalf, or directly with the insurer. CALL 0861 990 000 OR EMAIL US ON CUSTOMERCARE@THEUNLIMITED.CO.ZA.
2. There is a cooling-off period of 14 days (calculated from when you received these terms and conditions OR from a reasonable date on which it can be deemed that you received them) in which you can cancel the policy, as above. Should you cancel the policy within the 14-day cooling-off period, you will receive a refund on any premiums paid, **BUT ONLY IF YOU HAVE NOT CLAIMED OR BEEN PAID A POLICY BENEFIT, OR IF AN INSURED EVENT HAD NOT YET OCCURRED.**
3. The insurer can cancel or void the policy (or sections thereof) at any time if you do not fulfil your duties under this policy or if you misrepresent material facts, are dishonest or fraudulent in your actions, by the insurer notifying you immediately in writing of cancellation/voidance for fraudulent or dishonest actions or the non-payment of premiums.
4. The insurer may cancel this policy in writing by giving you 31 days' notice.
5. When this policy is cancelled (by you or by the insurer), all cover and benefits under it will end from the date it is cancelled.

CHANGES IN YOUR CIRCUMSTANCES

1. Whenever your circumstances change, you must tell The Unlimited or the insurer as soon as you are aware of the change. The insurer may re-assess your cover and premiums when the insurer is told about changes in your circumstances. If the insurer accepts these changes, it may be effective immediately or from the time and date agreed.
2. All changes are part of the agreement between you and the insurer and are subject to all the terms of the policy. The Unlimited will effect the changes to your details which will be confirmed by sending you an updated **policy schedule**.
3. If you are not sure whether a change may affect your cover, contact The Unlimited or the insurer anyway. If the insurer does not know about changes or receives incorrect information through The Unlimited, depending on circumstances, the insurer may be entitled to consider your policy as invalid or reject payment of a claim in whole or in part or insist on an additional premium being paid to the insurer.

WHAT YOU ARE COVERED FOR

You are covered for the **repair or replacement of parts** due to a mechanical breakdown or an electrical failure which occurs during the period of cover on your policy.

Please take note of the following important terms:

1. A mechanical breakdown means that one or more of the parts listed in the 'List of Parts Covered' breaks or burns out (during normal use) because of a mechanical fault which caused it to stop working, to break and/or to burn out, resulting in the part needing to be repaired or replaced.
2. An electrical fault means that one or more of the electrical components listed in the 'List of Parts Covered' has a short circuit within the parts and the component burns, resulting in the component needing to be repaired or replaced.
3. You are covered for the repair or replacement cost of the parts covered up to the maximum amounts in the '**List of Parts Covered**' in your **policy schedule**. The cost will include the **reasonable cost of the parts and the labour**. If any assessment is required to investigate the cause of the fault, you will be covered up to the 'strip & quote' benefit limit (seen in your **policy schedule**) as part of a valid claim.
4. Any vehicle covered under this policy must be specified in your **policy schedule**.
5. If you have a manufacturer's warranty in place on your vehicle, this policy will only incept once the manufacturer's warranty expires.
6. Any failure of a listed part due to overheating or cam belt failure can only be claimed for under the 'Overheating' or 'Cam belt failure' benefit limits, whichever is relevant, as listed and described in the '**List of Parts Covered**' in your **policy schedule**. For example, any parts damaged as a result of your vehicle overheating can only be claimed for under the benefit limit for 'overheating' in the '**List of Parts Covered**', and not under the benefit limit for the 'engine'.
7. There are specific **SERVICE REQUIREMENTS** which you need to follow to be covered:
 - 7.1. All vehicles must be serviced according to the manufacturer's specifications.
 - 7.2. All services and repairs must be done by an approved member of the Retail Motor Industries Organisation with full repair and service facilities.
 - 7.3. You must keep your service invoices. The insurer will ask for proof of your vehicle's service history when you claim.
 - 7.4. If your vehicle does not have an up-to-date service history when you take out this policy, it is your responsibility to have your vehicle serviced according to the manufacturer's specification within 30 days from the start of the policy and at all times during the continued existence of this policy.
8. You can only qualify for cover under this policy if at the time of your claim:
 - 8.1. The mileage on the odometer of your insured vehicle is less than

300 000 kms; AND

- 8.2. Your insured vehicle is less than 15 years old; AND
- 8.3. Your insured vehicle is in a good mechanical condition; AND
- 8.4. You have a valid roadworthy certificate for your vehicle; AND
9. Your insured vehicle has a gross vehicle mass of less than 3 500 kgs. You may cover a passenger, light commercial or 4x4 vehicle under this policy. **PLEASE NOTE: It is your duty to let The Unlimited or the insurer know when your insured vehicle has reached either the maximum mileage or the maximum age coverable under this policy, as the benefits offered under this policy will automatically lapse once your vehicle has reached either or both of the maximum age and maximum mileage limits.**

WHAT YOU ARE NOT COVERED FOR (your policy exclusions)

The following general exclusions apply to your policy. It is very important that you understand and take note of these.

1. The insurer will not cover the cost of repairs or replacement:
 - 1.1. If the part is not listed in the '**List of Parts Covered**' included in your **policy schedule**.
 - 1.2. If the fault existed before you accepted the terms and conditions of this policy.
 - 1.3. If you repair or replace something without the insurer's permission.
 - 1.4. If your vehicle's odometer is not working, has been tampered with, or it has been disconnected and/or replaced without our permission.
 - 1.5. If a breakdown is because of an oil leak. The insurer will also not cover the oil leak itself.
 - 1.6. If a breakdown is caused by carbon build-up under any component. The insurer will also not cover the cost of removing the carbon build-up.
 - 1.7. If the driveshaft or steering rack breaks because of damaged dust covers.
 - 1.8. If a breakdown is caused by incorrect fuels or lubricants, negligence, any accidents, improper servicing, unreasonable use (including any form of competition) or any malicious damage.
 - 1.9. If you have altered your vehicle's performance from the manufacturer's specification.
 - 1.10. If any part needs to be replaced and normally needs regular replacing as part of your vehicle's service.
 - 1.11. To/of any burnt valves.
 - 1.12. Due to wear and tear, corrosion, rust, lack of anti-freeze, lubricants or hydraulic fluids.
2. You are not covered for the cost of servicing your vehicle, for any routine maintenance or for accident damage.
3. Under this policy, the insurer does not cover vehicles used in competitions, modified or rebuilt (code 3) vehicles or vehicles with turbo conversions. Only locally manufactured vehicles and vehicles imported with a minimum of a 12-month local manufacturer's warranty will be accepted.
4. You are not covered for petrol, vehicle hire or transport costs if the repair or replacement is delayed.
5. The insurer will not pay for any loss of value to any item that the insurer has repaired or replaced.
6. If it is necessary to replace a specific part instead of repairing it, the insurer will not cover any used and/or second-hand part which was fitted in your vehicle, which has not been fully reconditioned. For example, if you replace your engine with a second-hand engine, the relevant parts of the engine need to be replaced to ensure it is properly reconditioned.
7. You are not covered for a failure or damage caused by the failure of any part not covered under this policy. This includes failure of the water pump, radiator or thermostat. For example, if your car breaks down and the clutch is damaged because the clutch plate (which is not covered under this policy) failed, we will not cover the damage, nor any resultant damage, due to the clutch plate failure.
8. You are not covered for any repairs performed by you, your immediate family, or friends who own or are employed by or affiliated with the workshop during

the vehicle repairs.

9. **The insurer will not cover the cost of repairs or replacement for any event that occurs within the waiting period. This means that no claims will be honoured during the first 60 (sixty) days of the start date of this policy.**

HOW YOUR CLAIMS WORK

You are covered for the repair or replacement cost of the parts covered up to the maximum amounts in the '**List of Parts Covered**' included in your **policy schedule**. The cost will include the **reasonable cost of the parts and the labour**, but not the cost to investigate the cause of the fault.

When you claim, your cover will be based on the category (A, B or C below) your vehicle qualifies for at the time. Categories are based on your vehicle's age and mileage. The insurer covers your vehicle up to and including 15 years of age and up to a maximum of 300 000 kms, whichever your vehicle reaches first.

VEHICLE CATEGORY		
Category A: Vehicles less than 5 years of age or mileage less than 110 000 kms	Category B: Vehicles less than 8 years of age or mileage less than 180 000 kms	Category C: Vehicles older than 8 years of age or mileage more than 180 000 kms

HOW TO CLAIM

These are specific claims conditions that must be in place or complied with by you so that you can make use of the benefits.

Please note: all costs incurred for claiming your benefits or submitting documentation to prove your claim are for your account.

1. **When can you claim?**
 - 1.1. As soon as we have received your first premium (the start date) and any waiting period has ended, you may claim if an insured event occurs. You will not have cover until the waiting period has ended.
 - 1.2. You can only claim under this policy if we successfully receive your premiums and you comply with all the terms in this policy.
 - 1.3. **The insured event must have happened in South Africa, after the start date and after the waiting period has ended.**
2. **Time period to submit a claim?**

Tell the insurer as soon as possible about your claim. Your claim form and supporting claim documents must then be submitted to the insurer within 30 days of the insured event and you must take your vehicle to one of the insurer's approved service providers if the insurer requires you to do so. When the insurer asks for it, give the insurer written proof or any other information within **7 days**. If the insurer does not receive the information the insurer needs, the insurer may decline your claim.
3. **How do you claim?**
 - 3.1. Please go to www.theunlimited.co.za for a step-by-step guide on how to submit a claim, or call The Unlimited on 0861 990 000 if you need help with getting your claim started.
 - 3.2. All claims are administered by the insurer. Always give the insurer true and complete information. All documentation and information which you provide as evidence or support of any claim must always be true and correct, failing which, the insurer may reject your claim.
4. **Please take note of these further important terms:**
 - 4.1. The insurer settles claims in the following ways:
 - 4.1.1. If an item has been damaged and it can be economically repaired, the insurer will arrange or authorise the repair and pay for the cost of the repair. The insurer may choose to replace the item with a new one of the same quality through the insurer's preferred suppliers or the insurer will pay the replacement cost of a new item of the same quality.
 - 4.1.2. If the insurer agrees not to replace or repair an item, the insurer will make a cash or voucher payment equal to the cost the insurer would have paid for replacement or repair through the

insurer's preferred suppliers.

- 4.1.3. The most the insurer will pay for any one claim is the amount stated as the sum insured or any limits in your policy or in the **'List of Parts Covered'** included in your **policy schedule**.
- 4.2. You must provide the insurer with any information and assistance that the insurer may require.
- 4.3. You must allow the insurer to inspect or take apart your vehicle or part of it in order to assess your claim fairly and accurately.
- 4.4. When you call about your claim, the insurer may:
 - 4.4.1. Ask you to get estimates for repairs or replacement items.
 - 4.4.2. Arrange for the damage to be inspected by one of the insurer's claims advisors, an independent loss adjuster or other expert. Their aim is to help the insurer agree a fair settlement with you.
 - 4.4.3. Ask you to arrange for the repair or replacement as quickly as possible.
- 4.5. The insurer is not responsible for any damage or loss (claimed or not) after 12 months from the date of the event which caused your damage or loss. If the claim is subject to an awaiting court action between you and the insurer, the claim will still be valid.
5. **Claim rejections:**
 - 5.1. If you are unhappy about the outcome of a claim, you can write to the insurer within 90 days of the date of the insurer's decision letter. After the 90 days, you have a further 6 months in which you can start legal action against the insurer.
 - 5.2. **There are more important details in the policy schedule provided to you.**
